This is also to inform you of an important option that may be available to you under Pennsylvania law. Act 101 of 2010 allows for an enforceable voluntary agreement for continuing contact or communication following an adoption between an adoptive parent, a child, a birth parent, and/or a birth relative of the child, if all parties agree and the voluntary written agreement is approved by the court. If you are interested in learning more about this option for a voluntary agreement, contact your attorney.
